### About.

Choose Complete if you prefer everything to be taken care of and one easy-to-manage bill. With years of experience and knowledge of our buildings, we can manage the detailed running of your office, leaving you to focus on your business.

**Save time. Save Money. Go +Complete.**

### +Complete cover.

Round the clock support.

Problems. We fix it.

Expert management.

More information on the next page

## It's simple.

- **Safe** - All the health & safety considerations in your workspace will be looked-after by us, ensuring your colleagues are happy, safe and secure.
- **Savvy** - Our buying power gets you the best deal on cleaning and M&E. So, you can make the most of our investment in the best deals.
- **Services** - We manage everything and provide round the clock support so you can get on with running your business.

## Complete M&E.

Choose Complete and you will also benefit from the reassurance of having our experienced team on hand to look after all your mechanical & engineering repairs. This includes electrical, air conditioning, heating, plumbing and other hard maintenance services, no matter how serious.

## The extra mile.

- Green electricity
- Recycling & waste management
- Daily cleaning service
- 4D smart building technology

**Complete** helps your business to be more sustainable - green electricity ensures your energy comes from responsible sources; quality cleaning keeps you safe; recycling waste management avoids landfill; and 4D smart building technology ensures your office is fit for the future...

## Keeping you safe.

- Health & safety
- Fire strategy & training
- Water risk assessment
- Maintenance & statutory checks

## Better workspace.

- Keep you safe
- Maintain your building
- Repair response
- The best value
- Running your services
- Expert support

## **Complete.**

Add Complete and you can have the confidence that our experts are also looking after all your statutory checks and balances. The expert team will take responsibility for health & safety, fire checks, water risk and all the other statutory requirements your business faces.
